

The 6th International Conference on Eco Engineering Development (ICEED) 2022

Jakarta, 16-17 November 2022
(Virtual Conference)

"Towards Eco Future Engineering: Research, Analysis and Resolution on Environmental Development Through Innovative Technology, Green Infrastructure, Planning and Design"

GUIDELINE for **CAMERA READY SUBMISSION**

ICEED 2022

16-17 NOVEMBER 2022

Camera Ready Submission Guidelines

Topic-of-Interest 1 (IOP-EES)

A. Before Camera Ready Submission

- Revise your full paper according to the reviewers' and/or editor' comments, if any.
- Your paper(s) should be **formatted using IOP Proceedings' predefined styles**. The **author guidelines for conference proceedings and templates** can be found here:
 - ☑ [Author guidelines for conference proceedings](#).
 - ☑ [Word templates to prepare your paper](#).
 - ☑ [LaTeX style files to prepare your paper](#).

B. Camera Ready Submission

- **Where?**
 - ☑ Please submit **the camera-ready paper (including the author names and affiliations)** through your account in the Morresiers:
www.morressier.com
 - ☑ **NOTE:**
 - If your paper requested for revision, the status "DECISION" of your paper's acceptance will change from "Accepted" to "Changes Requested."
 - Only the camera-ready paper that **meets all of the terms and conditions in Point A** will be **submitted** to the IOP-EES.
- **When?**

The camera-ready submission link will be open until **November 27, 2022**.

Topic-of-Interest 2 (Springer-LNEE)

C. Before Camera Ready Submission

- Revise your full paper according to the reviewers' and/or editor' comments, if any.
- Your paper(s) should be **formatted using Springer Proceedings' predefined styles**. The **Authors Guidelines** can be downloaded here:
 - ☑ [Word templates to prepare your paper](#)
 - ☑ [LaTeX style files to prepare your paper](#)As part of the zip files containing the complete sets of **instructions and templates** for [MS word](#) or [LaTeX](#).
- Please note that the decision to **submit** the papers to Springer is subject to the Turnitin similarity score. **The only paper with a maximum similarity score of 20% (excluding the references) is eligible for submission to the publisher.** Therefore, please ensure that the similarity of your paper(s) is no more than 20%.

D. Camera Ready Submission

○ Where?

- ☑ Please submit the **camera-ready paper (including the author names and affiliations)** through your account in the Microsoft CMT:
<https://cmt3.research.microsoft.com/>

☑ NOTE:

- In your **Author Console** will appear link to upload your paper: “**Camera Ready Submission**”
- Only the camera-ready paper that **meets all of the terms and conditions in Point C** will be **submitted** to the Springer-LNEE.

○ When?

The camera-ready submission link will be open until **November 27, 2022**.

Once again, congratulations to you. I wish that all of the authors will give their best efforts to refine their papers for a successful future publication in the IOP-EES or Springer-LNEE Conference Proceedings.
